

## **IDC'S 2ND ANNUAL PAINTBALL SHOOT-OUT**

IDC is planning it's second annual paintball shoot-out for IDC employees and IDC customers 29 October 2007.

This IDC vs. customers event has been a tremendous success in the past. Previous events have included representatives from Delphi, Buschman Conveyors as well as Motoman Robots.

Weekend warriors interested in this event should RSVP to IDC at (937) 254-1383 as soon as possible, as spas is limited to only 40 people. All weekend warriors who have reserved a space for this event should report to IDC, 2708 Linden Ave., Dayton OH, 45410, at 0900 hours on 29 October 2007. Coffee and doughnuts will be available in the mess hall until the troops head out at 0930 hours sharp.

As with previous shoot-outs this will be a free day-long event that features a private wooded playing field, markers (guns), ammo, referees, safety equipment and instruction as well as rations at 1200 hours. Those who have their own equipment are welcome to bring it, otherwise equipment will be provided.

## **FROM THE BATTLEFIELD**

Your lying behind a large log in the middle of a dense forest, your camouflage clothing causes you to blend in with your surroundings. Hiding in the nearby bunker lies the last enemy on the IDC team. As the enemy peers around the corner of the bunker you pull the trigger and splat, you have just taken out the last enemy in the game of elimination.

## **INFORMATION FOR CADETS**

**FATIGUES**-Loose fitting layered earth tone fatigues are highly recommended. Camouflage fatigues can be purchased at a reasonable cost at many area thrift stores for those who are interested. It is in your best interest to wear clothing to cover your entire body. A brain bucket (hat) and bandanna to cover your forehead as well as gloves are also helpful. Hiking boots or any other sturdy boots are also recommended.

**CANTEEN**- H2O will be provided but you may want to bring your own canteen with plenty of cold H2O and any other liquid that will quench your thirst, minus alcoholic beverages. Alcoholic beverages are not permitted on the premises.

**QUESTIONS**-If you have any further questions about this event please contact IDC. (937) 254-1383

## **IDC NEWS**

IDC would like to take this opportunity to thank our customers for a great year. We look forward to working with all of you in the future. IDC would also like to welcome the following new customers; Roy Purnell and Eric Glazier from the Buschman Company, Andrea Martin from Delphi Moraine, Mark Ellerbrock from Delphi Home Avenue, and Aundrea Harrison and Carl Krimm from Delphi Kettering as well returning customers Brent Young from Formatec Tooling Systems, and Jeff Buitendorp from TCE.

At IDC our number one priority is customer satisfaction, in act we guarantee our designs to work as promised or we will work with you until they do. To that end, Mr. Roger Pace has recently been named vice president of customer happiness and will soon have business cards to prove it.

Congratulations to Todd Gerken, Todd has been promoted to project manager for all incoming Buschman projects.
